

PSYCHOLOGY (BA)

Degree: Bachelor of Arts

Major: Psychology

Program Code: 3726

Students may pursue the Psychology B.A. degree. All majors are required to complete some laboratory coursework in which they conduct psychological science research. The psychology programs provide students with a working knowledge of the methods and findings of modern psychology. Students majoring in psychology are prepared to work in a wide variety of settings, including human services (counseling and social work), public affairs, business, sales, criminal justice, and (following graduate study) psychotherapy, teaching and research. The psychology program provides a strong foundation for graduate study in psychology and related disciplines.

The psychology program sponsors a Psychology Club and a local chapter of the national honor society in psychology, Psi Chi. Through active membership in these organizations, students are encouraged to become involved in community service and to attend and present their research at regional and national conferences.

For more information on what you can do with this major, visit Career Services' [What to Do with a Major?](#) resource.

All CMU baccalaureate graduates are expected to demonstrate proficiency in specialized knowledge/applied learning, quantitative fluency, communication fluency, critical thinking, personal and social responsibility, and information literacy. In addition to these campus-wide student learning outcomes, graduates of this major will be able to:

1. Critically analyze the historical trends in psychology. (Specialized Knowledge)
2. Compare basic research methodology in psychology, including research design, data analysis, and interpretation (Specialized Knowledge)
3. Communicate clearly in written and oral presentations in standard American Psychological Association format (APA) (Communication Fluency)
4. Apply statistical concepts to decision making and problem solving in areas of psychological application (Quantitative Fluency)
5. Think critically to solve problems in psychological areas of analysis using academic sources of information. (Critical Thinking and Information Literacy)
6. Demonstrate ethical reasoning and social responsibility by evaluating psychological theories and practices, considering their impacts on diverse individuals and communities (Personal and Social Responsibility)

Requirements

Each section below contains details about the requirements for this program. Select a header to expand the information/requirements for that particular section of the program's requirements.

To print or save an overview of this program's information, including the program description, learning outcomes, requirements, suggested course sequencing (if applicable), and advising and graduation information, scroll to the bottom of the left-hand navigation menu and select "Print Options." This will give you the options to either "Send Page to Printer" or "Download PDF of This Page." The "Download PDF of This Page" option

prepares a much more concise presentation of all program information. The PDF is also printable and may be preferable due to its brevity.

Institutional Degree Requirements

The following institutional degree requirements apply to all CMU baccalaureate degrees. Specific programs may have different requirements that must be met in addition to institutional requirements.

- 120 semester hours minimum.
- Students must complete a minimum of 30 of the last 60 hours of credit at CMU, with at least 15 semester hours in major discipline courses numbered 300 or higher.
- 40 upper-division credits (an alternative credit limit applies to the Bachelor of Applied Science degree).
- 2.00 cumulative GPA or higher in all CMU coursework.
- A course may only be used to fulfill one requirement for each degree/certificate.
- No more than six semester hours of independent study courses can be used toward the degree.
- Non-traditional credit, such as advanced placement, credit by examination, credit for prior learning, cooperative education and internships, cannot exceed 30 semester credit hours for a baccalaureate degree. A maximum of 15 of the 30 credits may be for cooperative education, internships, and practica.
- Pre-collegiate courses (usually numbered below 100) cannot be used for graduation.
- Capstone exit assessment/projects (e.g., Major Field Achievement Test) requirements are identified under Program-Specific Degree Requirements.
- The Catalog Year determines which program sheet and degree requirements a student must fulfill in order to graduate. Visit with your advisor or academic department to determine which catalog year and program requirements you should follow.
- See "Requirements for Undergraduate Degrees and Certificates" in the catalog for a complete list of graduation requirements.

Essential Learning Requirements

(31 semester hours)

See the current catalog for a list of courses that fulfill the requirements below. If a course is an Essential Learning option and a requirement for your major, you must use it to fulfill the major requirement and make a different selection for the Essential Learning requirement.

Code	Title	Semester Credit Hours
English ¹		
ENGL 111	English Composition I-GTCO1	3
ENGL 112	English Composition II-GTCO2	3
Mathematics ¹		
MATH 110	Mathematical Investigations-GTMA1	3
History

Psychology Electives

Developmental Area

Select one of the following: 3

PSYC 310	Child Psychology	
PSYC 330	Psychology of Adolescents and Emerging Adulthood	
PSYC 350	Psychology of Adulthood	
PSYC 408	Foundations of School Counseling	

Personality/Social Area

Select one of the following: 3

PSYC 320	Social Psychology	
PSYC 401	Sport Psychology	
PSYC 412	Industrial and Organizational Psychology	
PSYC 420	Personality	
PSYC 435	Applied Social Psychology	

Diversity Area

Select one of the following: 3

PSYC 323	Multicultural Service Learning	
PSYC 335	Psychology of Women	
PSYC 370	Cross-Cultural Psychology	
PSYC 411	Human Sexuality	
PSYC 425	Forensic Psychology	

Behavioral Neuroscience Area

Select one of the following: 3

PSYC 314	Psychology of Learning	
PSYC 410	Drugs and Human Behavior	
PSYC 422	Sensation and Perception	

Clinical Mental Health Counseling Area

Select one of the following: 3

PSYC 340	Abnormal Psychology	
PSYC 400	Psychological Testing	
PSYC 421	Counseling Processes and Techniques	
PSYC 423	Psychological Interviewing	
PSYC 424	Group Processes	
PSYC 440	Positive Psychology	

Select fifteen credits of additional psychology electives from any of the content areas above or from the following list: 15

PSYC 300	Health Psychology	
PSYC 306	Suicide Intervention Training	
PSYC 345	Abnormal Child Psychology	
PSYC 396/496	Topics	
SOCI 497	Structured Research	
PSYC 499	Internship	

Total Semester Credit Hours 47

General Electives

All college level courses appearing on your final transcript, not listed above that will bring your total semester hours to 120 hours. 24 semester hours. At least 1 hour must be upper division.

Advising and Graduation Advising Process and DegreeWorks

Documentation on the pages related to this program is intended for informational purposes to help determine what courses and associated requirements are needed to earn a degree. The suggested course sequencing outlines how students could finish degree requirements. Some courses are critical to complete in specific semesters, while others may be moved around. Meeting with an academic advisor is essential in planning courses and altering the suggested course sequencing. It is ultimately the student's responsibility to understand and fulfill the requirements for their intended degree(s).

DegreeWorks is an online degree audit tool available in MAVzone. It is the official record used by the Registrar's Office to evaluate progress towards a degree and determine eligibility for graduation. Students are responsible for reviewing their DegreeWorks audit on a regular basis and should discuss questions or concerns with their advisor or academic department head. Discrepancies in requirements should be reported to the Registrar's Office.

Graduation Process

Students must complete the following in the first two months of the semester prior to completing their degree requirements:

- Review their DegreeWorks audit and create a plan that outlines how unmet requirements will be met in the final semester.
- Meet with their advisor and modify their plan as needed. The advisor must approve the final plan.
- Submit the "Intent to Graduate" form to the Registrar's Office to officially declare the intended graduation date and commencement ceremony plans.
- Register for all needed courses and complete all requirements for each degree sought.

Submission deadlines and commencement details can be found at <http://www.coloradomesa.edu/registrar/graduation.html>.

If a student's petition for graduation is denied, it will be their responsibility to consult the Registrar's Office regarding next steps.
