

REAL ESTATE

The certificate in Real Estate is designed to prepare students to learn more about many aspects of the real estate industry. The three-course sequence, which can be taken in any order, includes topics such as a general real estate industry overview, real estate financing, and real estate development. This certificate is aimed at students in all areas of study to supplement their coursework and increase their understanding of the real estate industry, which will help in many facets of students' personal and professional lives.
