

COMMERCIAL DRIVER'S LICENSE TRAINING (CDLT)

Courses

CDLT 100 Commercial Driver's License Preparation 3 Credits

Preparation for students to pass the commercial driver's license test for an entry-level truck driving position as a Class "A" CDL driver. Includes basic and advanced operating practices, defensive driving, inspections, life skills, and essential activities such as trip planning, map reading, hours of service, cargo handling, and an employment workshop.

Prerequisites: Must hold a valid regular driver's license and be at least 18 years old before applying for a CDL.

Terms Typically Offered: Fall, Spring, Summer.

CDLT 101 Commercial Driver's License Training - Behind the Wheel 7 Credits

Practical driving experience (120 hours) and training relating to performing and passing pre-trip inspection testing, basic controls testing, and road skills testing.

Prerequisites: CDLT 100 (may be taken concurrently).

Terms Typically Offered: Fall, Spring, Summer.

Fees: Yes.
